

SAC Meeting Notes
February 21, 2024 9:00-3:30
MAK

Present at MAK: Zac Sawyer, Julie Heinsman, Matt Sawatzky (virtually), Christina Stowers, Scott Finch (a.m.), Dan Kim, Alicia Edwards

Accountability, Prayer, & Campus Reports:

We prayed for campus needs. We were reminded of the importance of taking problems to God first, before trying to solve them ourselves.

Professional Development

We reflected on the concepts of giving good feedback and developing and protecting trust as presented in Dare to Lead.

SWA (School Wide Assessments) Data -

MAP - Scott Finch led a discussion to clarify available MAP Data and Brainstorm data questions that might further support data work of SIP Goal #3.

DAP results - We looked at the DAP survey results and talked about possible next steps. The discussion revolved around which staff members could best use this information.

FSA charts were shared but not discussed

2023-24 ELL and Library Task Forces

Library Media TF

The Library Media TF members attended a conference in Jakarta. They were encouraged by the meetings and returned with many great ideas.

ELL Task Force

The ELL task force members have done a great job updating the ELL curriculum and are working to finish up the review of standards and program exit requirements.

Math & Tech TF

Recommendations were discussed for next year's task forces.

Meetings Dates - The Meeting Dates Calendar was approved.

Budget 2024-25 Review and Approval

Matt shared the budget for next year.
